STUDENT WELFARE POLICY

Rationale:

1. Children learn best in a supportive and secure environment.
2. The school should provide a learning environment free from bullying/harassment.
3. Children are entitled to receive help and encouragement from teachers and peers.
4. All children are entitled to receive fair and consistent discipline.
5. Children with special needs require consideration according to their needs.

Purpose:

1. To enhance the development of positive relationships between students, teachers, parents and other members of the school community.
2. To promote Whole School Health and Well-Being.
3. To provide a happy and safe environment for individual academic learning and social development.

Guidelines for Implementation:

1. All individuals will be valued and treated with respect.
2. The rights and responsibilities of students, parents and school staff will be clearly communicated and honoured. A restorative approach to resolving conflict will be employed.
3. Curriculum programs will include activities promoting cooperation, self-discipline and self esteem throughout the school.
4. The school's welfare policy and procedures will be fair, logical and implemented consistently.
5. The Student Behaviour guidelines document, Bullying Policy and annual Classroom Discipline Plans will be communicated to each family. An Anti-Bullying Agreement will be displayed in each classroom, signed by all students. Staff and parents will also sign versions of this Agreement.
6. All classrooms will cooperatively establish rules based on the six Eaglehawk North Primary School categories: Talking or Communication Rule, Learning Rule, Movement Rule, Treatment Rule, Problem Rule and Safety Rule.
7. The Register of Individual Student Contact (RISC) computer system will be used to monitor trends and record student behaviour.
8. All classrooms will have a plan in place for dealing with disruptive behaviours in the classroom that is communicated and understood by all students and parents.
9. Policies will be in place to support children with special needs and promote social justice for all. Individual Learning plans will be constructed for all children Program for Students with Disabilities children, koorie students, children in Out of Home Care and children achieving at least 12 months below or above Expected Level containing academic and social goals and the home and school strategies to be implemented to achieve these goals.
